

HR GUIDE 2026

15 Company Experiences to Enjoy in **Lavaux**

SPORT – CULTURE – WINE – LOCAL PRODUCE – AND MUCH MORE...

Every year, dozens of HR managers entrust me with the same mission: to find a **team-building experience that breaks the mold**, inspires, and creates a lasting collective memory. Yet, faced with an often standardized range of options, many struggle to find local, authentic, and meaningful activities.

This guide was born from that very insight.

Together with the Bikapa team, we've curated **15 unique experiences to enjoy in Lavaux** — a region we know and cherish deeply.

As you turn the pages, you'll discover activities that blend nature, gastronomy, craftsmanship, culture, and well-being — each one carefully chosen for its human touch, local roots, and power to strengthen team spirit.

Whether you're seeking a moment of relaxation, a sporting challenge, or a one-of-a-kind sensory journey, this guide is here to inspire you and to remind you that in Lavaux, **every landscape tells a story...** the one we create together.
